

This *Service Provider Referral List* was assembled by the Rocky Mountain Branch of the IDA to help parents and other community members find professional services through our organization. All listed providers hold memberships to IDA at the Professional, Corporate, or Special School level, and have agreed to be a point of contact. Each person, business, or special school has applied and been vetted by our organization and deemed to be “highly qualified” to provide the services listed.

While the **IDA-RMB does not recommend or endorse any individual, business, school, or program**, the following list of local professionals is available to aid you in your search for specialized tutoring, testing, and private schools. Please contact the individual providers to check on their availability and to answer any questions you may have about their practices. We encourage you to speak with multiple providers on this list in order to make the best choice to fit your individual needs. In your search, you may find the IDA fact sheet on [Evaluating Professionals](#) helpful.

*Tutors/therapists/dyslexia specialists and diagnosticians/psychologists who would like to be listed in the IDA-RMB Service Provider Directors should complete the appropriate application and other requirements found at [www.idarmb.org/referral-apply](http://www.idarmb.org/referral-apply). Special schools or other types of providers will need to contact us at [ida\\_rmb@yahoo.com](mailto:ida_rmb@yahoo.com) for information on how to apply.*
